

"Gustavo Sclocchi" Theses Awards 2003

for Philosophy Doctors, University and Diploma Graduates
with Degree in Petroleum Engineering and Geo-Sciences

1. In order to encourage and reward university and diploma graduates who specialise in petroleum engineering and geo-sciences, the SPE (Society of Petroleum Engineers - Italian Section), the EAGE (European Association of Geoscientists & Engineers) and Assomineraria (Associazione Mineraria Italiana - Hydrocarbon and Geothermal Sector) are glad to announce the 11th Theses Award.
2. All university and diploma graduates from Italian universities and Italians graduating abroad, who are completing their courses between October 1st 2002 and September 30th 2003, are entitled to submit their work for the award. The award is also extended to Philosophy Doctors who have completed their research thesis between October 2002 and September 2003.
3. The theses must cover subjects related to Hydrocarbon and Geothermal Exploration & Production activities:

**Geology, Geophysics and Formation Evaluation
Wells Drilling and Completion
Reservoirs Engineering
Production and Transport
Health, Safety and Environment**

4. Candidates must submit their application **before 10th October 2003** together with the following documents:
An abstract of the thesis (in English, one page maximum)
A document attesting the date and place of graduation
A complete copy of the thesis

The above documents, which will not be returned, must be addressed to:

Dr. Enrico Borgarello
EniTecnologie S.p.A.
via Maritano 26
20097 San Donato Milanese

5. The Board of Directors of the SPE Italian Section, the EAGE Board and the Board of Directors of Assomineraria jointly appoint the Evaluation Committee, which is composed of experts in the above disciplines. The Evaluation Committee shall select a maximum of eight theses considered to be the most worthy of receiving an award. Their decision is final and not subject to appeal.
6. **Each winner will receive a prize of € 1,500 (Euro one thousand five hundred). Moreover, a mention of each award-winning thesis will be published in the «SPE Bulletin» of the Italian Section, in the «EAGE First Break» and in the «Assomin Bulletin».**

The Award ceremony will take place at the meeting of the SPE Italian Section held in December 2003.
